Editurds Log...

Well our journey has once again landed us here. We've seen Humbugs come and go, the election of new officers, and the consumption of many libations. The new Clampin' year is upon us, and it's going to be a busy one at that. So sit back, crack open a cold one and hop on for one hell of a 6016, 54-40 ride!

The 2011 Widders Ball/Demotion Dinner

Presenting the 2011/6016 NOBLE GRAND HUMBUG
Jeff "Gordo" Gordon

January 15th, 6016 begins the dawning of a new era for Chapter No. 54-40. This was the first time we held a Widders Ball/Demotion Dinner, and to the surprise of none, we only screwed up about half of the stuff that was planned, and it still ended up being a success! [Story cont. on pg. 4](#)

54-40 New Officers For 2011/6016

At the Demotion Dinner it was announced that “Drama” had won the election for the new Damn Fool Doorkeeper! We had some changes shortly after the Demotion Dinner, that moved Drama into the Hangman position, requiring us to have a special election to fill the Damn Fool Doorkeeper chair once again. And wouldn’t you know it, second place in the last election was a tie... So we held a special election at the February meeting to fill the position. So we are please to announce our new officers for 2011/6016 as:

Dustin “Drama” Stanaway

IRISH SPRING

INGREDIENTS:

- 1 oz **Irish whiskey**
- 1/2 oz **peach brandy**
- 1 oz **orange juice**
- 1 oz **sweet and sour mix**
- 1 slice **orange**
- 1 **cherry**

DIRECTIONS:

Pour all ingredients (except orange slice and cherry) into a collins glass over ice cubes. Garnish with the slice of orange, add the cherry on top, and serve.

NOW THAT'S FUNNY RIGHT THERE...

A guy goes to the Government to apply for a job.

The interviewer asks him, "Are you allergic to anything?"

He replies, "Yes, caffeine. I can't drink coffee."

"Ok, Have you ever been in the military service?"

"Yes," he says, "I was in Iraq for one tour."

The interviewer says, "That will give you 5 extra points toward employment."

Then he asks, "Are you disabled in any way?"

The guy says, "Yes. A bomb exploded near me and I lost both my testicles."

The interviewer grimaces and then says, "Okay. You've got enough points for me to hire you right now. Our normal hours are from 8:00 am to 4:00 pm. You can start tomorrow at 10:00 am, and plan on starting at 10:00 am every day."

The guy is puzzled and asks, "If the work hours are from 8:00 am to 4:00 PM, why don't you want me here until 10:00 am?"

"This is a government job", the interviewer says. "For the first two hours, we just stand around drinking coffee and scratching our balls. No point in you coming in for that."

Useless tidbits * WHO THINKS OF THIS CRAP

Los Angeles's full name is "El Pueblo de Nuestra Senora la Reina de los Angeles de Porciuncula."

2011/2016 Widder's Ball/Demotion Dinner Cont.

Of course we couldn't forget
about the first 5...

In recognition of all the hard
work our first 5 XNGH's put
into making our chapter
what it is today, they each
received a beautifully
engraved bobble ass. And as
no surprise to anyone when
the X's were put in their
corner, the bobble asses
provided hours of fun and
entertainment for them!

And everyone knows behind every good
Widder is a Clamper waiting to mount...
oops.... wrong story.

With many of our honorable NGH's has
come a great First Widder of the Chapter.
And with many good NGH's has come one
very soft smooth hand.

This year the out going First Widder of the
Chapter Cara Kamel decided to give new
First Widder Pam Gordon the coronation
all queens feel they deserve. After shower-
ing her with gifts and placing the crown
upon her head, the rumor is Cara quietly
took Pam out back and told her to, and this
is a quote "Get the hell out while you can!"

This just goes to show the dedication our
NGH's have to our Chapter. And we thank
all the Widder's for supporting us and our
ways! Love it or leave it, the motto of the
land. Deal with it or leave,
the life of a Widder... I love this country!

And the Best Dressed Couple award went to one sexy couple! Josh "300" and his Widder Katie took top honors of this prestigious award! Many say it was unfair since Josh actually showered the day of the event, but giving his secret away will only stiffen the competition for next year! Then again that's what the Widder's are for!

Josh "300" and Widder Katie!

Rebecca

And as always many thanks to Rebecca for putting up with us the last couple years, serving drinks to the uncivilized ways of some, and always doing it with a smile. Despite everything you still show up at the Widder's Ball ready to help and expect nothing in return. We hope to have you around for many years to come as most servers just can't handle it!

We also would like to give a big thank you to the Wilkeson Eagles Aerie #1409 for giving us a facility to host the event, and a great crew preparing and serving dinner!

What's Goin' on In Idaho? Chapter 1811 Info

**We hope to have plans finalized soon for our Charter Doin's to be held
September 9th-11th, 2011/6016.**

There have been rumors floating around about possible rub prices but nothing has been set in stone at this point and we're working hard to bring a great event, filled with good times, good grub, and good brothers, while making it an affordable Doin's for all! The proposed site being negotiated for the event is the Given's Hot Springs. Located in South Western Idaho on the famous South Alternate Route of the Oregon Trail, the location is just a few short miles from the Idaho-Oregon border. The site is easy to find as it is just off of US 95. The site features huge shade trees, camping on grassy lawns, swimming, history, petroglyphs, easy access to the Snake River, a plaque dedication, and tours to nearby historical sites. Mark your calendars now and plan to come early and stay late for a rip-roaring time at a site frequented by man for over 6,000 years.

Buzzard Update

Well the Buzzard has once again been seen prowling the skies of the Pacific Northwest! This once endangered species has been found thriving on the desolate Isle of Whidbey, under the care of the wonderful Widder Louie! Curious after hearing stories of the rouge red belly, a pack of Red Shirts were sent to investigate!

The pack returned with an ominous message from the creature vowing it's revenge!

Warning ECV!
Buzzard is back!
Thanks to all of you for all the concern and contacts while I was down. What a fantastic group we have. I missed you all and hope to make up for lost time this year. See ya soon, Buzzard

Washington State History Day Event

History Day is fast approaching and we are in need of adults willing to spend a morning reviewing the work of students who are preparing to publish the results of their historical investigations.

The students will be the experts in the room on their topics. The adult judge's work in teams of three to offer congratulations and advice on how to strengthen the presentations.

The morning in question is Friday, 18 March, at the Shoreline Center. If your schedule will allow, I would appreciate it if you could register online as a judge at:

<http://wa.nhd.org/ud/templates/register.php>

This online registration system is new to us this year. Some potential judges find it difficult to use.

If you find yourself in that group, please refer to the more detailed instructions which I am attaching. I would be happy to answer questions and even walk you through the process.

Thank you for considering making this contribution to the education of the next generation of informed citizens.
