### Editurds Log...

As you can see we delayed sending out this quarters Fool's Gold to include info on the chartering of a new chapter in Oregon, and we have another chartering coming soon to Idaho. We have a lot of good Clamping to look forward to this Summer! It's been a great year and it's only going to get better!

### Oregon Chapter No. 1859 Charter Doin's

It's offishoil! On Saturday June 11th, 2011/6016 Noble Grand Humbug Keith "Longhorn" Long received the charter granting the Umpqua Joe Chapter No. 1859 full chapter status from Sublime Noble Grand Humbug Gary "Frijole Counter" Glud.

NGH Keith "Longhorn" Long Holding up the Charter of Umpqua Joe Chapter No. 1859

It's been reported that 318 Red Shirts attended with 10 hawkers and 16 PBC's surviving the treacherous initiation. With lush green forests surrounding the secluded Doin's site and a nice cool watering hole to take a dip in Wolf Creek available, you couldn't ask for a better Doin's location. ## Grand Council 2011

Grand Council was held May 20-22, 2011 in Sonora, CA. There was a good turn out of Grand Council Members this year and there was a very positive vibe the whole weekend! By Sublime Decree the new incoming Sublime Noble Grand Recorder is Fred "Suds" Ludemann. There was one new proctor appointed, Brian Nash. It was determined it was too soon to appoint someone to fill XSNGH Gene Browns proctor position after his sudden passing Monday May 16th just a few days before Grand Council so his position is currently vacant and will be addressed at the TRASH Trek in July.

One of the most anticipated discussions was about a possible Grand Council fee increases to \$200 per year, and possible new fee of \$10 per PBC's. It was decided that there would be no increase in Grand Council fees and no per PBC fee would be imposed.

Members of the current board of Growlersburg Chapter No. 86 submitted all information requested by Grand Council, and then requested to have it's Chapter status reinstated. The board unanimously approve the request and Growlersburg is now back to full chapter status.

There was once again discussion on the importance of insurance and liabilities. We should all understand that these discussions have the best interests in mind for all brothers. The insurance is there to protect all of us!

There were some other issues discussed but those were the highlights. Our good friend Dingle even made an appearance! All in all it was a great weekend with a lot of good brothers!

From left to right: NGH Keith Long Chapter 1859, XNGH Zeke Chapter 73, NGH Nils "Hager" YB1, NGH Gordo Chapter 54-40

Last and least important was the advancement of Gary "Frijole Counter" Glud to SNGH and Bob "Roadkill" Romer to Nameless. After the announcement XSNGH Glenn Thornhill was reportedly seen pointing and laughing as he left the building.

For you new brothers, Grand Council is made up of all current and X Humbugs from all chapters. The BOP is a term used for the Board of Proctors, and SOAP is a term used for the Sublime Officers and Proctors. A guy walks into a bar in Kentucky and orders

All the hillbillies sitting around the bar look up,

The bartender says,  
"You ain't from around here, are ya?"

The guy says, "No, I'm from Canada ."

The bartender says,  
"What do you do in Canada ?"

The guy says, "I'm a taxidermist."

The bartender says, "A taxidermist?  
What in tarnation is a taxidermist?  
Do you drive a taxi?"

"No", says the Canadian  
"A taxidermist doesn't drive a taxi. I mount animals."

The bartender grins and hollers,

## The 2011 Doc Maynard Candlelight Doin's

3-Dogg Hawkin' like no other!

We had a good turn out this year at the 2011 Doc Maynard Candlelight Doin's held Saturday April 17th at the Wilkeson Eagles Aeire in Wilkeson, WA. More than 40 brothers showed up and as always the cook crew served up some mean smoked tritip. Many thanks go out the the Wilkeson Eagles for putting up with us year after year.

The Kid in the most kick ass Vigilante coat in all of Clamperdom!

Hangman "Drama" layin' down the law!

Hangman Dustin "Drama" Stanaway interrogated the PBC's with his crew of roisterous vigilantes, before putting them through the Doc Maynard motor skills and calithentics program. Once complete, the PBC's were marched into the dungeon and the hollowed grounds from which many PBC's have never returned. The Hall of Comparative Ovations concluded with all PBC's being accepted as brethren. Thanks again to 3-Dogg who's efforts in the hawker booth have really helped the chapter, and our excellent cook crew!

## 1859 Charter Doin's Continued...

The Umpqua Joe boys had the suds flowing and the grub was the stuff of legends! Thanks' to the Trinitarianus boys from chapter 62 for helping to fix the grub! The Friday night hot dogs turned into rack after rack of smoked ribs that were cooked to utter perfection. No one went hungry!

The James Savage boys before the Yucca on Saturday Night!

Doc Maynard bretheren.  
Just don't ask!

Saturday night saw rib eye steaks that were once again cooked to perfection leaving no question that Umpqua Joe got it right when it came to serving grub. The only down side was they cooked so much some of us had to go back for seconds!

<----- Sublime Noble  
Grand Humbug Gary  
"Frijole Counter" Glud  
presenting the charter  
to NGH Keith  
"Longhorn" Long.

All in all the Umpqua Joe Chapter 1859 Charter Doin's was a spectacular event that was very well organized. Congratulations goes out to all the Umpqua Joe members and officers as well as the volunteers from other chapters that helped make this a Doin's to remember and one you hopefully didn't miss.

## Chapter 54-40 Peter Saar's Cemetery Clean Up

On Saturday May 21st while most of the officers we're at Grand Council, XNGH Cap'n Al Stein lead a group of brothers to the Peter Saar's Cemetery to help with a much needed clean up. We'd like to thank brothers Billy the Kid, Munchkin, Picker, Survivor, Sasquatch, and Rainman for their participation. The caretaker of the cemetery was very grateful for the brethren who took the time to help!

**SATISFACTORY! AND SO RECORDED!**

## **What's Goin' on In Idaho? Chapter 1811 Info**

### **Idaho Snake River Chapter No. 1811 Charter Doin's September 9th-11th, 2011/6016.**

We're working hard to bring a great event, filled with good times, good grub, and good brothers. The proposed site for the event is the Given's Hot Springs. Located in South Western Idaho on the famous South Alternate Route of the Oregon Trail, the location is just a few short miles from the Idaho-Oregon border. The site is easy to find as it is just off of US 95. The site features huge shade trees, camping on grassy lawns, swimming, history, petroglyphs, easy access to the Snake River, a plaque dedication, and tours to nearby historical sites. Plan to come early and stay late for a rip-roaring time at a site frequented by man for over 6,000 years.
