Widder's Ball/Demotion Dinner

The Officers and Greybeards of Doc Maynard Chapter No. 54-40

Invite all Widder's and their Clampin' men to the 2011/6016 Demotion Dinner and Widders Ball! The event will take place Saturday, January 15th, 6016 (2011).

Brothers, we only had half the number of prepays needed to have the Widder's Ball in November, so it has been rescheduled. Instead of cancelling it, we will try a format that will be more affordable for all, just a \$10 cover charge, and allow all the members and officers to spend time with there Widder's instead of working. Many other Chapters do a combined Demotion Dinner and Widder's ball. We are going to try that format for this year. We will have a brief roast of the incoming Humbug, and say goodbye to the old. And the Widder's get to join in and be involved in the whole thing! We will have a wide selection of music that should be enjoyable for everyone. That's right guys, be prepared to actually get out and cut a rug with your Widder. They have spoke, and you will dance! Dinner will be served by the Wilkeson Eagles. Most of the servers are Eagles members or Officers, but are Clampers as well. This means that the full menu will be available to give more variety to our Widder's, or you can plan to have dinner before coming to save on cost. There will be awards for outfits! And as always there will be one hell of a Raffle!

We will be sending out more information in the next couple weeks, so look for an e-mail with more details soon.

THE EDITURD & STONEY BEE

Brother's, after the December 2010 Fool's Gold, we will be going to a quarterly issue format. Issues will be sent out the first weeks of March, June, September, and December. JOKE OF THE MONTH

The Buffalo Theory

One night at Cheers, Cliff Clavin explained the "Buffalo Theory" to his buddy Norm:

"Well, ya see, Norm, it's like this. A herd of buffalo can only move as fast as the slowest buffalo. And when the herd is hunted, it is the slowest and weakest ones at the back that are killed first. This natural selection is good for the herd as a whole, because the general speed and health of the whole group keeps improving by the regular killing of the weakest members! ; In much the same way, the human brain can only operate as fast as the slowest brain cells. Excessive intake of alcohol, as we know, kills brain cells. But naturally, it attacks the slowest and weakest brain cells first. In this way, regular consumption of beer eliminates the weaker brain cells, making the brain a faster and more efficient machine!

"That's why you always feel smarter after a few beers."

Clamper Down — Brother in need!

Fellow Brothers, The day after Thanksgiving, Jimmy "Blue" Holley was devastated by a house fire. Jimmy was badly burned and lost all of his belongings. He has nothing left. Jimmy has since been released from the hospital and is well on his way to recovery. Jimmy is a fun-loving retread that puts a smile on everyone's face. He has puked 21 chapters and looks forward to getting' DURTY every time. Jimmy desperately needs our help. My Widder and I have recently set up a "Wish List" through Wal-Mart, where we hope to help get Jimmy back on his feet. The list contains clothing and household items that Jimmy is in need of. To access the list online, go to www.walmart.com. At the top of the home page, you can click on "Registry" and select "Wish List" underneath. Look up the Wish List under Jimmy Holley. If you choose to order online, the items can be shipped directly to Jimmy's mother's house. You can also print out the wish list and take it to any Wal-Mart store to shop for the items. A third option is to go to a Wal-Mart store, and in the Jewelry counter, there is a registry kiosk you can use to look up the list. If you want to ship items yourself, please ship to:

Doc Maynard Elections for New DJDK

Brothers,

We currently have 4 nominations for incoming Damn Fool Doorkeeper. Dustin "Drama" Stanaway, Greg "Doc" Smith, Daryl "Gakker" Gibson, and Adam "3-Dogg" Foutz.

At the December Meeting we will be accepting final last minute nominations for Damn Fool Door Keeper at the beginning of the meeting, and at the end of the meeting we will vote. All members and associate members "present" at the December Meeting will be able to cast a vote. Members being nominated MUST BE PRESENT to accept the nomination and MUST BE A MEMBER OR ASSOCIATE MEMBER in good standing with Doc Maynard Chapter 54-40 (Associate memberships will be available at the December meeting). Nominees must have been a brother for at least 1 year and attended at least one Doc Maynard Doins since their initiation. YOU MAY NOMINATE YOURSELF. Following the acceptance of nominations but before voting the Greybeards will have an informational meeting with the nominees.

The new Damn Fool Doorkeeper will be announced at the Demotion Dinner in January.

Damn Fool Doorkeeper is the first officer chair that the newly elected member would hold while in the line to becoming Humbug. If Elected it is a 6 year commitment through Humbug.

Year 1 - Damn Fool Doorkeeper

Year 2 - Hangman

Year 3 - Gold Dust

Year 4 - Recorder

Year 5 - Vice Humbug (Attendance @ Grand Council Required)

Year 6 - Humbug (Attendance @ Grand Council Required)

Some of the responsibilities specific to this office include, being apprentice to the Hangman, Sergeant at Arms for the Chapter, attend all Meetings, attend all Parades, attend all Work Parties, and other functions at the request of the Officers or Greybeards.

Other Duties that fall on officers in general and are also included in this position, attending all Meetings, attending all Parades, and attending all Work Parties. Attendance at Grand Council is required when you are Vice Humbug and Humbug, but we request you attend all years to help support and run the chapter's hospitality suite, and help with the Hawker box. With Grand Council being held in Sonora California, we want to make sure you understand the financial investment and time requirements associated with this annual event for us Washingtonian's.

Helping with setup and tear down at Work Parties, Parades, Doins, and Widder's Balls is expected. An officers must have access to and be able to use a computer or email device, as many of the communications and events we put together are organized by email. He must represent the Chapter well in public, and at the many Work Parties and Parades we participate in. He must be able to organize and take charge of large groups when necessary. He must be responsible at times for Chapter funds and making proper deposits or purchases on the Chapter's behalf. He must be willing to front his own money at times, knowing it may be days before being reimbursed by the chapter due to logistics. He must also be willing to take on other duties at the request of the Officers and or Greybeards.

Please only accept a nomination if you are willing and able to handle this commitment! It can be stressful at times and time consuming. Please consider the stress this may cause for even the best Widder after 6 years, and the effects it may have on your family. We do realize at times you may be unable to attend a meeting, event, or function, due to work or family commitment. We fully support our brothers and their families at all times, but ask you to thoroughly consider if you are able to make the commitment.
