

FOOLS GOLD

A PUBLICATION FOR FOOLS BY FOOLS

Fools Gold Publications: News for the Clampers of the Great Northwest

We saw the need for a newsletter, to keep everyone up on current Clamper goin' on's, and keep brothers who are unable to attend meetings informed of the good, the bad, and the ugly. Hopefully by connecting with the brethren this way we can all stay better informed and help promote the growth of the Ancient and Honorable Order of E Clampus Vitus®!

Memorial Day Service

On a cold, wet, blustery, springtime day, we ventured 32 miles up Chinook Pass outside of Enumclaw to pay our respects to Henry C. Allen. Henry served in the Civil War for the North and was a Purple Heart recipient. He was POW in the South and upon his release, he was honorably discharged. Henry moved to the Buckley area, married, had a family, and was a trapper in the wintertime by trade.

At one point, he was late from checking his trap lines and his wife asked a few friends to check on his welfare. They found him dead, sitting next to a stump, frozen. They built a fire to thaw him and straighten out his body. They were unable to carry his body out of the woods due to poor weather conditions. His friends then travelled back to Buckley to inform his wife of his untimely demise; her wishes were that he be buried in the mountains that he loved.

The Chapter paid their respects to Henry C. Allen on Memorial Day, 6015. At the conclusion of the memorial, we ventured up to Hooper's cabin and then to the Naches Tavern in Greenwater to hoist a few beers in honor of Henry. Story By: Hooper

LETTER FROM THE EDITURD: CHUNKY TUNA

Well this month has been pretty busy. Several of the Doc Maynard Boys made it down to Grand Council and we all had a great time. We had a great showing with all but one of our current officers making the trip. As always, thank you to all of the brothers in Clamperdom for making this the best brotherhood in the world!

JOKE OF THE MONTH

Sunday Morning Sex

I will never hear church bells ringing again without smiling..

Upon hearing that her elderly grandfather had just passed away, Katie went straight to her grandparent's house to visit her 95 year-old grandmother and comfort her. When she asked how her grandfather had died, her grandmother replied, "He had a heart attack while we were making love on Sunday morning." Horrified, Katie told her grandmother that 2 people nearly 100 years old having sex would surely be asking for trouble. "Oh no, my dear," replied granny. "Many years ago, realizing our advanced age, we figured out the best time to do it was when the church bells would start to ring. It was just the right rhythm.

Nice and slow and even.

Nothing too strenuous,
simply in on the Ding and out on the Dong."

She paused to wipe away a tear, and continued, "He'd still be alive if the ice cream truck hadn't come along."

QUOTE OF THE MONTH

Total abstinence is so excellent a thing that it cannot be carried to too great an extent. In my passion for it I even carry it so far as to totally abstain from total abstinence itself.

Mark Twain

Grand Council Announcements 2010/6015

Snake River #1811 & Umpqua Joe #1859 Granted Chapter Status!

Tuna, Barbarosa, and Kin after the big announcement!

“Gentlemen, you are no longer an Outpost’s”. The cheers were deafening as the brothers gave us a standing ovation for our hard work. It was fantastic. This new chapter is so grateful for the support from our sponsoring Chapter Lucinda Jane Saunders #1881 and XSNGH Sonny Marshall for his leadership and guidance.

We are most grateful for all of the support of all of our brothers from Washington to San Diego and from the West Coast to Colorado. There are literally dozens and dozens of brothers that have supported us and our functions.

Dickhead, IRJR, and Barbarosa!

Thank you all very much. The Snake River’s directors, officers and general membership put me in this position and made it all happen because of their hard work, dedication and support. It is them that deserve this success and them that I am committed to. Thank you my brothers. To my fellow Brothers throughout Clamperdom, rest assured we are planning a Chartering Doin's that will be an event you will not want to miss. Story By: NGH Bob “Barbarosa” Haines

The Budweiser Girls

The title just about says it all. While the rest of the Doc Maynard boys were setting up the hospitality suite, Tugboat and Tuna were frolicking with the Bud Girls in Copperopolis. And as you know Red is one of the girls favorite colors! We really wish the rest of you could have been there, but Tugboat and I made sure to give them a lot of attention so the little ladies felt right at home!

Clamper Down — IRJR

Most of you know IRJR and what he has done for Clamperdom with his Sandbox message board, ECV Gazette and Post Office. He was not only Clamper of the Year awhile back, but put in thousands of hours of his time to give ECV the benefit to communicate over the net with ease. His Widder, Sally now has a major problem and is in need of a liver. She has been accepted and is now on the waiting list at an SF hospital. But, their medical expenses are tremendous and are in need of our help. JR and Sally's daughter, Brandi, has set up a web site for whoever may wish to donate. Even just a few dollars will help this fine couple out in their time of need! I ask that all of us in ECV, possibly give just a few bucks or more to help this family that has been a service to us since 1997! Sally has been a strong supporter of ECV and JR's efforts to get Cyber Whang where it's at today. She was also there for all of JR's medical needs during his bout with cancer. I know her well and have never come across a better Widder. This couple has helped us out, now let's help them in return. Go to the url below and either donate thru Pay Pal or click on contact us for more:

or you can send a check to:
Brandi Casey or Sally Reynolds

Clamper Down — Buzzard

Brothers, Louie has been keeping updates on Buzzard's condition on her blog, <http://louie27.blogspot.com/>. For those who don't know, Buzzard was diagnosed with Cancer and needed surgery to remove tumors. She also update's some on Facebook, so if your on Facebook, search for Louie Shellenberger.

UPDATE: Buzzard has been doing much better and is even able to talk on the phone now! Not sure if that's a good thing or not?

Anyway Buzzard and Louie would like to thank all of the brothers for their prayers and support.
