Brothers,

We had another successful Fall Doins this year. Thanks to brother Tuna we had the most efficient registration process we have ever had. As a result our contact info is the most correct and complete it's ever been. For those of you who didn't make it, it was all computerized with a screen facing out so the brothers could verify and correct their personal contact information.

I would also like to put out big thanks to brothers Pickles, Gordo, Mikey, and Tinkerbell for cooking us up some damn good grub. The breakfasts were good. The Sloppy Darrel's for Saturday's lunch were great. Then there was the Big Dinner on Saturday night. As always Pickles out did himself again this year and made some outstanding grub.

The Hangman and his gang of Vigilante's did a great job entertaining the Red Shirts with the many activities they gave the PBC's to do. Among other thing, new this year was the Egg toss. It was very fun!! Next year we'll buy 30 dozen eggs for the event. I bought a dozen myself. Cont. on page 3

JOKE OF THE MONTH

Rye Bread...

Two old guys, one 80 and one 87, were sitting on their usual park bench one morning. The 87 year old had just finished his morning jog and wasn't even short of breath. The 80 year old was amazed at his friend's stamina and asked him what he did to have so much energy. The 87 year old said, "Well, I eat rye bread every day. It keeps your energy level high and you'll have great stamina with the ladies." So, on the way home, the 80 year old stops at the bakery. As he was looking around, the lady asked if he needed any help. He said, "Do you have any rye bread?" She said, "Yes, there's a whole shelf of it. Would you like some?" He said, "I want 5 loaves." She said, "My goodness, 5 loaves By the time you get to the fifth loaf, it'll be hard." He replied, "I can't believe it, everybody knows about this shit but me!!"

Doc's 9th Annual Procedure Cont.

It seems that everyone present liked our expanded selection at the hawker box. You can thank our Hawker brother 3 Dog for that. Also Brother O'Doul's took over as our new Libationist and did a great job keeping everyone well lubricated.

We did our normal general raffle which went over very well thanks to those brothers who donated items. We also finished our second TV raffle. It was won by Brother Jack Strong Humbug of Chapter 62.

I would also like to say thanks to Berzerker again for hosting this event at his wonderful campground. Casualties were one Picnic Table, one Toilet Seat, and one new unplanned Fire pit. Notice to all, next year, please DON'T move the fire pits. To put it into perspective if even 1 out of every 10 guests did that he would have 100 new fire pits every year. We would also like to thank all the brothers that came from far and wide to partake in the festivities.

Chapter No. 62

Brother's

We decided to do some fund raisers this year. Some of you may have noticed the TV Raffles we were pitching. We did two of them. One was open to the public and one to Redshirts only.

The first raffle was sold out in just a few weeks, mostly to people that I work with. The Winner ended up being a secretary at the company I work for. She doesn't make a lot of money and her TV had just broken the month before. She

didn't have the money to replace it. I was surprised that she even bought a ticket but she is a kind giving person and wanted to help us with our projects.

The second raffle took a little longer. It was the Member Only Raffle. For this one we sold tickets at our Spring & Fall Doins, at Grand Council, Idaho's Doins, meetings, and Parades. In the end we still had 20 tickets unsold. We could have waited but didn't want to drag it out any longer. We held the drawing Saturday night after everything else was over. The Winner was Jack Strong out of Chapter 62. I called him after the drawing to let him know. He was very happy.

Special thanks go to all who bought tickets with their hard earned money. It will help us for years to come.
