A PUBLICATION FOR FOOLS BY FOOLS

Fools Gold Publications: News for the Clampers of the Great Northwest

We saw the need for a newsletter, to keep everyone up on current Clamper goin' on's, and keep brothers who are unable to attend meetings informed of the good, the bad, and the ugly. Hopefully by connecting with the brethren this way we can all stay better informed and help promote the growth of the Ancient and Honorable Order of E Clampus Vitus®!

Wilkeson Eagle Building Plaque

PG2

Brothers, As some of you know I have been a member at the Wilkeson Eagles for about 11 years. I met the Clampers at a Veterans Day Parade in Auburn. Actually it was in the Auburn Eagles bar room after the parade. Imagine that finding Clampers in a bar. At that time I was an officer of Wilkeson and the Eagles District President. We drank and talked history for hours that day. About two years later I was asked to become a Clamper. I quickly became a very active member.

This year the Wilkeson Eagles celebrated the 100th anniversary of their building. The building was originally built for the Knights of Pythias and has since housed four other fraternal orders and their Auxiliaries. Besides the Knights of Pythias there was the Improved Order of Redmen, Independent Order of Odd Fellows, United Ancient Order of Druids, and of course the Fraternal Order of Eagles.

Having been so involved in the Eagles I was quick to jump when someone suggested plaquing their building. So after months of research we put together the info and got approval from the Eagles.

I am proud to announce that on August 14th 2010/6015 Doc Maynard Chapter 54-40 finally installed our first Plaque. It is made of black granite and was laser etched. It measures 2 feet tall and 1 1/2 feet wide. It is located on the front of their building in the right corner.

JOKE OF THE MONTH

The Born Loser

There I was sitting at the bar staring at my drink when a large, trouble-making biker steps up next to me, grabs my drink and gulps it down in one swig.

"Well, whatcha gonna do about it?" he says, menacingly, as I burst into tears.

"Come on, man," the biker says, "I didn't think you'd CRY. I can't stand to see a man crying."

"This is the worst day of my life," I say. "I'm a complete failure. I was late to a meeting and my boss fired me. When I went to the parking lot, I found my car had been stolen and I don't have any insurance. I left my wallet in the cab I took home. I found my wife in bed with the gardener, and then my dog bit me."

"So I came to this bar to work up the courage to put an end to it all, I buy a drink, I drop a capsule in and sit here watching the poison dissolve. Then you, you jerk, show up and drink the whole thing! But enough about me, how's your day going?"

QUOTE OF THE MONTH

155th Anniversary of the Point Elliott Treaty

"Return to Muckl-te-oh".....1855 Point Elliot Treaty Commemoration

Last month Amy Johnson, great great granddaughter of Seattle pioneer David Denny & chairperson of the Descendants Committee of Seattle, contacted DM54-40 about the possibility of us helping out at a function that they were holding in Mukilteo, on the lighthouse grounds, commemorating the 155th anniversary of the signing of the Point Elliot Treaty, in which the Western Washington tribes ceded their lands to the U.S. government and

agreed to go to reservations. The Descendants Committee, realizing the screwing that the tribes took on this treaty, wanted to hold a gathering of the descendants of the signers, both White & Native in a reconciliatory spirit to acknowledge the past & to look to the future together. Apparently there were several Native speakers on the program that didn't get that memo & engaged in quite a bit of "White bashing" that was very inappropriate for the intended purpose of the event.

At one point Cap'n Al became worried that his wildly unruly tresses might wind up on the wall in a lodge on the Res. Gordo, not sharing the same fear as Cap'n Al, offered to signal for help with reflection messaging. Fortunately we all escaped physically unscathed but wracked with guilt.

The program was co-hosted by the Descendants Committee, MOHAI, Tulalip Tribes & the Mikilteo Historical Society. The Daughters of the American Revolution & the Tukwila Historical Society also had tables set up. Food was provided & a tree was planted at the end of the program to signify the growth of a new cooperative spirit. Good luck!

DM 54-40 Brothers from Whidbey Island & Snohomish County along with some South Enders handled the parking lot, directing traffic & instructing on how to get to the overflow lots. Much thanks to the South Enders for making the trek, it was fun to watch them marvel at the magnificence of the seldom seen Northern frontier of the DM54-40 territory, much the same, I'm sure, as when the Corps of Discovery viewed the Pacific Ocean. I'm sure that with proper medications & counseling that you will all get over the trauma of being not only North of Hwy 18, but of the King/Snohomish County line as well. Immediate medications were dispensed afterwards at both locations of the Diamond Knot Brewery in Mukilteo. Seriously though....thanks guys for a good turn out on a very busy weekend.
